

## I Borghi più belli d'Italia Cycling tourism

### National and international cycling tourism meeting

Castiglione del Lago 15 September 2024

The Team Matè Sports Association is organizing I Borghi più belli d'Italia Cycling tourism on September 15<sup>th</sup> 2024.

The event is part of a circuit called "Terre dell'Etruria cycling tourism" which is combined with a ride of cycle tourists coming from all over Italy and, starting from this year, from other European and non-European countries.

The cycling event will be characterized by two routes, short and long, both starting from and arriving to Castiglione del Lago (PG).

The routes will develop around Trasimeno Lake, through the wonderful typical villages of this area, in the heart of Italy.

The short route will be approximately 70 km long with approximately 500 m of altitude difference, the long route will be approximately 120 km with approximately 1.200 m of altitude difference.

The departure will be between 8 and 9 a. m. in "french style", the main road intersections will be overseen by traffic assistants; participants will still have to respect the highway code.

During the routes, the participants, and also their companions, will find 3/5 refreshment points offering typical local products

In the beautiful Castiglione del Lago landscape along the lake, the so-called "pasta party" will be set up giving the opportunity to attendees and companions to further taste the typical products.

The awards ceremony will follow which, in addition to cups and trophies, will feature special products.

At the departure/arrival point and along the route there will be various technical assistance points.

Accommodation:
